In Memoriam

GEORGE HUNT

Many of you did not know or will not remember George Hunt, but those of you who were fortunate enough to share his friendship or make his acquaintance, will always treasure the warm vibrant humor, the quick smile, and the good-natured, pleasing personality that George possessed. This is our tribute to George.

Smart lad, to slip betimes away

*From fields where glory does not stay,
And early though the laurel grows
It withers quicker than the rose.*

MISS JANE SHIBE

We pause before our journey's end, to say a word of tribute to Miss Jane Shibe, who, although she did not complete our voyage with us, enriched it beyond measure with the golden charm of her wonderful personality.

She looked a little wistfully,

Then went her sunshine way:—

The sea's eye had a mist on it,

And the leaves fell from the day.

In appreciation:

To our patrons, our mothers and fathers, relatives and friends—

To our Commercial patrons, our business friends—

To our classmates for willing co-operation—

To our general student body for loyal support we say, "Thanks."
