## PHILADELPHIA-CAMDEN Bridge Report Today

Members of New Jersey Commission to Discuss Plans—Will Consider Terminal Locations

Members of the New Jersey Bridge and Tunnel Commission will meet today to hedr the report of the Committee on Sites and Location, which recently held a conference with the Pennsylvania Commission in regard to the Delindet of comrestruction of the second second second eithers in under or over water route or both.

It is the desire of the Jerseymen to work in harmony, so far as the plans are concerned, with the commission on the Philadelphia side of the river. This is especially so with respect to the location of the termifals.

is especially so with respect to the location of the terminals. The desire to have one of the terminals in Canden, between the territory bounded by Cooper and Kaighn avenue. It is also hoped to have plans under way in order that work along tangible lines may be done this summer.

One May Die as Result of Race Fight

A fight yesterday between Russians and Lithuanians at Fourth and Emerald streets, Cander, resulted in a number of boombalend, Offord them was boseriously injured that it is feared at Cooper Hoepital he may not recover.
