

Camden Soldier Reported Dead

Going to France in July with the 327th Infantry, James Murtha, 29 years old, of 1221 Point street, is named in yesterday's casualty list as having died from wounds sustained in action. Early in December his parents received a letter from him in which he stated that he was in good health, and his mother is clinging to the belief that the sad

was from Washington in and true.
Murtla was originally in the country.
