Dear Friends,

The Camden City Firefighters, Local 788,  
would like to thank all of our subscribers and  
supporters who participated in The Fire Watch  
Magazine. Without your help, the magazine would  
not have been a success.

Camden Firefighters urge all of our friends  
to support the people who have taken Ads in our  
Fire Watch Magazine. We appreciate the continued  
support to our membership and hope that everyone  
will enjoy the items and pictures it contains.

Once again, allow me to extend our thanks  
to all of those who gave so much to our cause.

William S. DiPompo
