HAPPENINGS IN NEW JERSE

Camden's Grand Jury Sees No Ill in Gloucester.

NOT WILLING TO PROSECUTE

ductor Dowell Saves a Man's Life, but Narrowly Escapes Losing His Own - New from Interior Points.

The grad Jury of the May term of court of Camdea courty has adjourned and there is no bill of indicament against the South Jersey Jockey Club. Netterday was the day set a part for the hearnen in the Glouester rate inche cou-but to algorization setficient to set called, but to algorization setficient to a club Among the witness wars some of Cam-Among the witness wars some of Cam-hearnen the interest wars some of Cam-hearnen to all in the greation and all of them refused to narwer the questions and part of the arter great and with they declined to anyor questions and with they declined to anyor questions and with nesses were some of Cam-table cuizens and nearly ed to answer the questions. Jersey make 1t a erume for in gambling, and with the ng to criminale themselves answer questions and were they dec

they declined to answer a second One willness was asked if he had ever visited the race track, to which he replied "Yes." When asked what was his object in going there he said he turnished the score cards. It erefused to answer any further questions and was dismissed A member of the grand jury last night

said: "The failure to secure an indictment gransithese people can be laid at the doors of the Law and Order Society. Before the grand jury met they held big mass meetings and fold what they were copies to do, and when the times came they did nothing. They ing whinese the viewment in the papers ask-ing whinese the viewment in the paper sak-of the track and the pool seller. Nobody answered. tues. track

of the frack and the post-answered. Then some one, through political ani molity, sent a lisi containing the rames of fashed upon thema. These panes wer fashed upon thema. These panes wer data dupon the angle and the sentence decided to bold another session, which we did to day, but no testimoney was produced that would warrant the finding of indict
